Subject: For International Students .

Hi,

Further to our conversation. Here I am sending you a request to become authorised representatives for international student recruitment.

We are an authorized Canadian Immigration consultancy firm. We are a registered member of ICCRC.

We have been successfully recruiting students to various public institutes of Canada like Kwantlen polytechnic university, university of Regina, Thompson rivers university, Okanagan college , ucw, Okanagan college and many more (this is not a complete list).

As we work actively for immigration and for student recruitment, hence we get a lot of quires from students looking to change their institute. Currently we have few students looking to enroll in your institute. These students are of various nationalities and already studying in Canada on a valid study permit.

We always get quires from international students from south east Asia about pursuing higher studies at Your Institution . Also we get a lot of quires from international students who are already in canada and plan to change their campus . We already have 9-10 student's documents ready for admission. We can forward those as well if required.Hence we intent to become authorized representatives.

Sincerely,
