Dear Ramandeep,

Greetings from LaSalle College Montreal! It was indeed a pleasure speaking with you.

Kindly find attached herewith a copy of the **Price List** for all programs at LaSalle College and Inter-Dec College for 2019 Fall Semester.

\*Please note that these prices are for reference and subject to change.

The **application process** includes applying online and paying the initial \$50 application fees. You will receive an email requesting documents of the students from the customer service team. At this point, you need to send us the list of documents mentioned in the email. We shall then verify the documents and email a copy of the contract. The contract needs to be signed by the student and the student needs to pay \$200 application & registration fees at this time. Once we receive the signed contract and the payment of \$200, we shall release the LOA.

Please note that the **admission is conditional** to submitting the **required documents** listed below:

**Birth certificate** (original or certified copy with the original stamp on your document)

**High school Diploma and High School Transcripts (Grade 10 and 12)**

Copy of **university diploma** and **transcripts** (if any)

Copy of the main page of **Passport**.

**IELTS** Results (Overall 6 and no band less than 6)

For **commissions**, as an agency, you are eligible to claim a commission of 15% for the first 2 semesters on the tuition fees for any program, which is 4 semester or more (Full Time programs) and a commission of 15% for the first semester on the tuition fees for any program, which is less than 4 semester (Full Time programs).

With regards to **tuition fees refund policy**, in case of the visa getting refused, the student needs to send us the cancellation/reimbursement form along with the official rejection letter to be eligible to get a full refund apart from the \$250 application & registration fees.
