Dear TILAK RAJ MALL,

Thank you for your interest in visiting Canada. After careful review of your temporary resident visa application and supporting documentation, I have determined that your application does not meet the requirements of the Immigration and Refugee Protection Act (IRPA) and Immigration and Refugee Protection Regulations (IRPR). I am refusing your application on the following grounds:

- I am not satisfied that you will leave Canada at the end of your stay as a temporary resident, as stipulated in paragraph 179(b) of the IRPR, based on your travel history.
- I am not satisfied that you will leave Canada at the end of your stay as a temporary resident, as stipulated in paragraph 179(b) of the IRPR, based on your personal assets and financial status.

You are welcome to reapply if you feel that you can respond to these concerns and can demonstrate that your situation meets the requirements. All new applications must be accompanied by a new processing fee.

Sincerely,
High Commission of Canada
