placed more weight on than optional subjects. Previous schooling inconsistent with current educational goals. Study plan submitted is general and does not outline a clear career path for which such an educational program would be of benefit. Based on the above balance, I am not satisfied that this applicant is a genuine student. Weighing the information on hand in this specific case, the applicant has failed to establish that they are a genuine temporary resident who will leave Canada following the completion of their studies pursuant to section R216 (1)(b) of IRPA.
