Description: **Thank you for your interest in studying in Canada. I have reviewed your study permit application and supporting documentation to assess whether you meet the requirements for a study permit (<https://www.canada.ca/en/immigration-refugees-citizenship/services/study-canada/study-permit/eligibility.html>). This includes assessing whether you are coming to Canada temporarily for the reason(s) you describe in your application. I have determined that your application does not meet the requirements of the Immigration and Refugee Protection Act (IRPA) (<https://laws-lois.justice.gc.ca/eng/acts/I-2.5/index.html>) and Immigration and Refugee Protection Regulations (IRPR) (<https://laws-lois.justice.gc.ca/eng/regulations/sor-2002-227/index.html>). I am refusing your application.**

Text: **Application reviewed. On review of all information including PA's previous educational history and when considering applicant's completed Master of Business Administration Applied Management in 2019 & Bachelor of Business Administration in 2018, employment in the same field and motivation to pursue studies International Business Management at St Lawrence College in Canada at this point does not seem reasonable.**

Client submitted transcripts in order to substantiate academic proficiency. Transcripts indicate low average marks. I am not satisfied client demonstrates the academic proficiency necessary to complete studies in Canada.

Applicant had initially applied to different programs and/or institutions and was refused. Has now applied to a different programs and/or different institutions. Their educational goals in Canada are not consistent from one application to another with no explanation provided.

Chosen program and course content at the college level at such expense appears illogical in light of the PA's reported scholarly history, thus the proposed program does not adequately demonstrate a logical progression of studies, hence I am not satisfied that applicant would not have already achieved the benefits of this program.

Based on the above balance, I am not satisfied that this applicant is a bona fide student. Weighing the information on hand in this specific case, the applicant has failed to establish that they are a bona fide temporary resident who will leave Canada following the completion of their studies pursuant to section R216 (1)(b) of IRPR.

Application refused.
