PA was approved for Study permit at Langara College, entered Canada on December 27, 2016 and returned to India on January 12, 2017. Noted letter from Client stating she had decided not to study in Canada, see GCMS history

Noted PA obtained a Bachelor of Engineering in 2015, employed as Assistant Network Engineer from 2018 to 2022. Given the applicant's previous education and/or employment history, I am not satisfied the motivation to pursue this particular program, at this point in time in Canada, is reasonable; See LOA

The applicant has failed to satisfy me that pursuing the selected program of study is reasonable given the high cost of international study in Canada when weighed against the potential career/employment benefits after completion, and the local options available for similar studies. See LOA.

On balance, after review all information including PA's previous educational history, relevance of the proposed course of study and taking into account factors such as personal establishment; the applicant has failed to satisfy me that they are a bona fide temporary resident who will leave Canada following the completion of their studies. Application refused.

Officer please review education /employment history and proposed study plan (inconsistent/no experience on management/ large gap in study since 2015/high international cost/local option available/motivation to study seems not reasonable)
