Description: **Thank you for your interest in studying in Canada. I have reviewed your study permit application and supporting documentation to assess whether you meet the requirements for a study permit (<https://www.canada.ca/en/immigration-refugees-citizenship/services/study-canada/study-permit/eligibility.html>). Text: **I have reviewed the application.**

Educational documentation presented in this application reflect low to low average prior academic history - more specifically in core educational subjects which I have placed more weight on than optional subjects.

I have concerns that applicant will be able to successfully complete the study program in Canada.

I am not satisfied that the applicant would be a suitable student in Canada and would depart Canada at the end of the period authorized for stay because of previous academic performance, relevance of the proposed course of study. Application refused as per R216 (1)(b).
