Integrated search; No Adverse Info.

I have reviewed all the documentation provided for this application. Summary of key findings below:

Applicant seeking to obtain a diploma in Business from Focus College.

No evidence of previous studies; missing marks sheets, academic record and diplomas. Unable to determine applicant's ability to successfully complete the study program in Canada.

English test results have not been provided; unable to determine applicant's ability to handle an English-language course load. As such I am not satisfied PA will be able to successfully complete an English language study program in Canada.

On balance, after review of all information including PA's previous educational history, relevance of the proposed course of study and taking into account factors such as personal establishment; the applicant has failed to satisfy me that they meet the requirements of the Act and/or the Regulations,
