Text: **I have reviewed the application.**

I have considered the following factors in my decision.

The purpose of the applicant's visit to Canada is not consistent with a temporary stay given the details provided in the application.

20yo for bachelors in management at Concordia Uni of Edmonton. As per docs submitted, Pa has completed a 2 year computer engineering diploma from singapore. Study plan reviewed, not clearly explained benefits of proposed studies given Pa already has a diploma in another subject. On balance, not satisfied bf student.

Weighing the factors in this application. I am not satisfied that the applicant will depart Canada at the end of the period authorized for their stay.

For the reasons above, I have refused this application.
