## Conditional Offer of Acceptance

Dear MD Riad Hossain,

Thank you for your inquiry about your admission to Focus College. Upon careful consideration of your credentials, We are pleased to offer you conditional acceptance into our Advanced Diploma in Business program.

### Pathway Details

Your Pathway Program is unique to Focus College in that it begins with one year of study in the Advanced Diploma in Business program, which you will complete at Focus College at any of our Kelowna, Surrey, Abbotsford or Vancouver campuses and provides you with the option of completing your program with us or with our partner university, the University of the Fraser Valley (UFV) in Abbotsford, British Columbia.

Successful completion of your first year of study (equivalent to our full Certificate program) will give you a block transfer of 31 credits into the General studies diploma program at the University of the Fraser Valley (UFV). That's your full first year!

Interested in continuing your studies?

Students who complete the General Studies Diploma can apply to continue studies towards a four-year degree in UFV's Bachelor of Integrated Studies program.

As the Diploma program shares its administrative costs across the full two years of study, students transferring to UFV at the end of the first year will see an additional fee of \$600. Certificate (one year program) students have this fee fully embedded within their tuition.
