ENGLISH LANGUAGE PROFICIENCY

The language of instruction at Georgian College is English. In addition to the academic admission requirements, all applicants for whom English is not their first language and/or are coming from countries where English is not an official language, must provide proof of language proficiency. Admission is conditional until a student has submitted proof of English language proficiency. For a list of required scores and accepted tests, [please visit our website](#).

REFUNDS

If your study permit is refused, a full refund of tuition fees paid will be issued. Proof of study permit refusals must be provided to be eligible for a refund. If you choose not to pursue studies at Georgian College, you may be eligible for a partial refund of pre-paid tuition fees less an administrative fee that is calculated in accordance with the Ministry of Advanced Education and Skills Development refund policy. Please also note that Citizenship and Immigration Canada (CIC) will be notified of your withdrawal from Georgian College. If a request for withdrawal is not received within the first 10 working days of the term, no refund for the first semester will be issued. [Please see our policy on our website](#).

STUDY PERMITS

Now that you have received your letter of acceptance, you may apply for a study permit. Visit www.cic.gc.ca for information about obtaining a study permit. Once your study permit has been approved, please email a copy to Georgian College at international@georgiancollege.ca along with your student number and confirmation of your arrival date.

HEALTH INSURANCE

As an international student, health insurance is mandatory and is included in quoted tuition fees. You must be registered into courses in an academic semester or registered for a work term/co-op term in order for health insurance coverage to begin for that term. If you arrive early, you may need to purchase additional insurance. Please visit the [Health Insurance](#) web page for more information. If you officially withdraw from the College (or transfer to another institution) after the Add/Drop deadline, your health insurance coverage will not be refunded.

CO-OP INFORMATION

International students in work integrated learning programs, such as co-op or internships, must have a valid co-op work permit in order to complete their work term in Canada. Due to lengthy Immigration processing times, we recommend students apply for this as soon as possible (minimum of 4-6 months PRIOR to the anticipated work term) as any delay can impact their eligibility to work. Co-op Consultants provide resources and support including job postings; however, students must also complete an independent job search to maximize their success in securing co-op positions. Students can increase their opportunity for success with a valid driver's licence and flexibility with work term locations.

FORMS AND PLACEMENT REQUIREMENTS

Many programs, particularly in Health and Wellness, Community Safety, and Human Services, include placements that require immunization or criminal record checks among other possible requirements. These requirements must be met before your placement starts. It is your responsibility to ensure that you are eligible to participate. Check GeorgianCollege.ca/admissions/forms and click on the "Placement requirement forms" tab to see if your program has requirements you need to meet before the term starts.
