Health Insurance for International Students

Starting Fall 2017, Seneca College is implementing an annual health insurance plan for all full-time international students. The plan will provide health coverage during the academic year, preventing unexpected emergency medical expenses as a result of illness or accident.

You will be charged the Health Insurance Fee once per academic year, depending on your program start date. The Health Insurance Fee is not included in your tuition amount. It will show on your account after you pay your first semester fees. Payment of the Health Insurance Fee is due by the tenth day of scheduled classes.

For more information about your Health Insurance Coverage, visit **senecacollege. ca/international/services** or call Seneca International Student Services at 1.416.491.5050, ext. 26934.

Important Next Steps

Now that you have received your letter of acceptance, you should begin preparing for your studies at Seneca College:

1. Pay your tuition fees by the due date on the attached invoice, and arrange your finances. (Please note that the estimated tuition amount shown above is for 2 semesters only. For complete and accurate information regarding the length and cost of your program, please refer to **senecacollege.ca/international**.)
2. Apply for your study permit.
3. Apply for on-campus housing or obtain assistance with locating off-campus housing.
4. Read the Guide for International Students on **senecacollege.ca/international** carefully as it contains important policies and procedures.

Note: Please check the **senecacollege.ca/international** website for the most current information on fees and critical dates. It is important that your scheduled arrival date is at least 1 week prior to the program start date shown above to leave time for mandatory orientation events and start-up activities.

If you have been admitted directly into a Professional program, an English and/or Math assessment may be required upon arrival. Please visit **senecacollege.ca/testcentre/assessment.html** for more information. Please note that testing below college level English may result in additional charge.
