Program:  **First Year University Transfer Computing Science and Software Systems**
Program Duration:  September 4, 2018 to August 31, 2019
Work Practicum: No

Dear Student:

We have examined your application and are pleased to offer you admission as a full-time international student in the **First Year University Transfer Computing Science and Software Systems program** at Vancouver Community College, Broadway Campus.  The anticipated start date is **September 4, 2018** with a projected end date of **August 31, 2019**.

To accept this offer, your first payment of $10,000.00 CAD (includes $1,500.00 CAD non-refundable deposit) is due on or before **August 15, 2018**. For detailed information about total program fees and the VCC International Refund Policy, visit our website at www.vcc.ca/international.

> Proof of the first payment with this offer letter may be used to facilitate your study permit application.

All international students attending Vancouver Community College for a period longer than six months must have a valid Study Permit and comprehensive BC Medical Services Plan (MSP) insurance coverage for the entire period of their study. For information about Study Permit applications, please visit Citizenship and Immigration Canada's website at www.cic.gc.ca.

If you have any questions, please contact our office at ieadmissions@vcc.ca. Thank you for choosing Vancouver Community College to continue your studies.  We look forward to welcoming you.

Sincerely,

Alison Rudko
Associate Registrar, International Education
Vancouver Community College
