Statement of purpose

I Sandeep Kaur applying for Bachelor of Arts in business communication at University Canada West. I have passed grade 10th in the Year 2015 and 12th in the year 2017 from punjab school education board education board. After that I want to go abroad for higher education. So I pursued ielts exam in Jan 2018 and I got 6.0 overall bands.

After my 12th I consulting with my parents and decided to pursue further education from Canada. Firstly I thought to do further study from any Indian University but after doing some research neither any university's education structure and nor the system of higher education in India appealed me much as its theory concentrated hence future scope for a worldwide career seemed very limited after completion of course Then I discussed all this matter with my parents and they agreed with my decision to study in Canada .

After my ielts I search many options and I have come to learn that the Okanagan College is one of largest, most diversified and highly respected SSP College in Canada. The facilities offered by the College will help me gain experience be it social, recreational or my personal development. This program brings together participants from all over the world, so I would be in contact with diverse cultures and I would also develop an international network. It would be very rewarding to share and exchange thoughts and ideas with a group of people who are from different nationalities, cultural orientations and schools of thought on one platform.

I choose Bachelor of arts in business communication at university Canada west because arts (business) has a lot of scope & respect in worldwide. The main reason of choosing Business communication degree is I want to learn basic skills of business communication from the base and in this level it would be very helpful for me to understand all the main subjects and for future I can apply for higher level. I believe that I can make a good career in business sector, as people with this qualification are required in various departments. It seems mandatory these days to have some sort of management qualification in order to work with any organization, all these factors made me to decide that I should pursue good management course from Canada.
