Program Duration: January 8, 2018 to December 31, 2019

Please take note of the following conditions that apply:

If you have not already done so please send your official transcripts and proof of graduation from high school. If you are applying for a post graduate program we require original official transcripts from your post-secondary institution and proof of 3 or 4 year bachelor/undergraduate degree from an accredited institution. TRU will verify the accreditation of all post-secondary institutions. Assigned transfer credits are at the discretion of TRU. Submission of high school transcripts is not required for post graduate programs. Please send all admission documents to International Admissions.

Photocopies or scanned copies of transcripts are sufficient for admission only. However, to begin your studies in academic courses you must submit official original transcripts. Verified copies that come directly from your previous institution are acceptable. Notarized copies are not acceptable.
