Dear Arshdeep Singh:

Congratulations on your full-time acceptance to Conestoga College. Your letter of acceptance can be used to apply for your study permit at the <u>Canadian Embassy</u> or Canadian High Commission in your country. As it can often take several weeks to process your study permit, please apply as soon as possible.

Please also be sure to visit our International Scholarship website for further scholarship opportunities.

B.Y.O.D. - Bring Your Own Device

Some programs require you to bring your own device. It is your responsibility to ensure that you bring the appropriate device for your program. Please visit the <u>website</u> to verify if your intended program requires you to bring your own device.

Students accepted to a program that includes a practicum within the School of Health and Life Sciences must complete mandatory health and safety requirements to be eligible for practicum placements. These prerequisites are required by legislation and placement agencies for all persons working in this sector. To locate information on your Practicum Health Requirements, please visit our myConestoga webpage at www.myconestoga.ca Login ID: Practicumforms Password: International2

Your practicum health and safety requirements must be completed prior to attending any practicum placement experience. Please contact Practicum Services at practicumservices@conestogac.on.ca or 519-748-5220 ext. 3101 should you have any questions.

Information regarding mandatory program and international students' orientations will be sent to you approximately 8 weeks before your program start date. These mandatory events will be held prior to the first day of classes. Please plan your arrival date accordingly.

Note: International students who have been accepted to a program with a co-op placement, an internship or an unpaid field education component, even if the activity is paid or unpaid, on or off campus, or full-time or part-time are required to have a co-op work permit. This information is provided in box #19 of your letter of acceptance. There is no cost to apply for this permit. The work permit required for co-op placements, internships or unpaid field education can only be used for activities assigned as part of your program of study. It is your responsibility to ensure you have the proper authorization.

For up-to-date information, and to apply on-line for a co-op work permit, please visit <u>Citizenship and Immigration Canada (CIC)</u> Should you have any questions regarding this process, please contact an International Student Advisor in the International Office at <u>internationaloffice@conestogac.on.ca</u>.

We look forward to your arrival and to welcoming you to Canada and Conestoga College.

Best wishes.

Advanced Standing/Credit Transfer

If you wish to have consideration for advanced standing/credit transfer based on your previous studies, you must begin the process after you receive your letter of acceptance and BEFORE you arrive in Canada. Review for Advanced Standing/Credit Transfer cannot be done during the start of a new semester. Individual credit transfers may be requested if you believe you have completed an equivalent course (or more) at another post-secondary institution.

To request a credit transfer, please submit the following three components:

- 1. Completed Credit Transfer Request Form
- An official transcript from your previous post-secondary institution(s)
 Note: Transcripts must be in an envelope sealed by the sending institution. Opened copies, as well as those that have been photocopied/printed/scanned, cannot be accepted.
 International transcripts must be formally assessed by an agency like ICAS or WES; we would require an official copy of the assessment.
- 3. Course outline(s) for the course(s) you previously completed and are using as the basis for exemption. Note: Course outlines must include: course title, number/code, description, learning objectives, topics covered, textbook(s) used, assignments, evaluation scheme, etc. The outline should reflect the semester in which you successfully completed the course. (ie. Same Academic year)

Requests are forwarded to the Academic Team for review and students are notified of the decision(s) through email.

The Credit Transfer Request Form and corresponding outlines may be submitted via <u>email</u>. If you do not have an official, sealed transcript (as described above), please request your previous institution(s) to mail one to:

Please review the Advanced Standing and Credit Transfer Policy; http://www.conestogac.on.ca/credit-transfer/transfer.jsp
