Congratulations on your acceptance into the Bachelor of Business Administration (Project Management) program at Yorkville University, Ontario campus.

To secure your seat in the January 2019 term, we require you to pay a tuition deposit of \$4400. Click [here](#) for more information about how to make your payment. If you have already paid your tuition deposit, you are not required to make an additional payment.

Following your deposit payment we will forward a receipt for the total amount you have paid to the school, along with your official acceptance letter and other documents you will need as part of your study visa application to IRCC.

All amounts paid by you to the school will be held on your account and applied towards your tuition and other applicable fees once you have started your studies. Note that subject to jurisdictional regulations, your tuition deposit of \$4400 is non-refundable unless you are refused a study visa, in which case all but a \$500 administrative fee will be refunded.

Here is essential information to help you get ready to start your studies:

- **Credit Transfers:** Any credit transfers that you have received as part of the Admissions process are documented in a Statement of Credit Transfers and can be accessed at this [link](#).
