Hello Gurvinder,

Congratulations on being accepted to Lethbridge College. I thought I would explain the purpose of all of the letters I have included for you.

The **Letter of Acceptance** is the letter you will need to provide to the Canadian Embassy with your study permit application. This letter provides all of the information needed about the program you have been accepted to. The receipt for the tuition deposit is also included which you may want to submit to the embassy as well.

I have also included a cost approximation sheet as the Embassy sometimes asks for this. Please note that estimated tuition fees are based on 2017-2018 rates and are subject to change for the 2018-2019 year upon annual review in May. All tuition rates are approved by the Alberta Ministry of Education. The College will make every effort to provide as much advance notice as possible to students when College tuition rates and fees change.

I would suggest taking copies of all documents you submit to the Embassy for your records just in case.

There is nothing more that you will need to submit to the college other than letting me know if you are granted your study permit.

If you require anything else, please feel free to email me.

Sincerely,

Kristen Koester
International Admissions Specialist
