Dear Navneet:

Congratulations on meeting the admission requirements to the **Business Administration General** program at NorQuest College! We are pleased to extend an offer of admission for the **2019 Fall Term** to you. Included in this email is your **Official Offer of Admission**. This electronic version of the offer is considered official and can be used to apply for your study permit. Print and attach the Official Offer of Admission to your study permit application to present to your immigration authority.

To confirm your acceptance of this offer of admission, you must pay a non-transferable **tuition deposit of \$1000 (CDN)** to reserve your seat in the program. Your deposit will be applied towards your first term's tuition. If you contact the Office of the Registrar to cancel your enrolment at least 30 days prior to the start date of your program, you will be eligible for a 50% refund of your deposit.

Paying your tuition deposit is the only way to reserve your seat. The Official Offer of Admission does not guarantee a seat, and is only given to assist you in obtaining your study permit. All programs fill on a first qualified, first accepted basis. We strongly recommend that you pay your tuition deposit as soon as possible, as seats fill quickly. For details about how to pay your deposit, visit [norquest.ca/pay](http://norquest.ca/pay).

Information about tuition and fees for your program can be found on our website at [norquest.ca/tuition](http://norquest.ca/tuition). All amounts are quoted in Canadian dollars. Fees are subject to change and you are responsible for paying all assessed fees upon starting the program.

During your studies in Canada, you may be asked to provide proof of your valid study permit (if applicable) and current health care coverage. Ensure that you have these documents with you.

Notify [admissions@norquest.ca](mailto:admissions@norquest.ca) if you have any questions or if you decide to withdraw your application.

We look forward to having you as a student at NorQuest!
