## **IMPORTANT INFORMATION**

### **Payment**

The Letter of Acceptance is only valid to apply for a Study Permit (visa) when accompanied by a non-refundable Semester One deposit receipt, confirming the prepayment of the required fees. Your required deposit is indicated in your Letter of Acceptance. Failure to pay the Semester One deposit by the deadline, may result in the rescinding or deferral of your offer. To be eligible to register for Semester Two, you must not have any outstanding fees from Semester One. Failure to pay the remaining balance for Semester Two by the deadline date may result in deregistration of courses and will deem you ineligible to register for future courses.

Failure to make payment is a violation of the terms and conditions of the Algoma University Academic Calendar. Algoma University reserves the right to deregister students from courses for non-payment. In the event of deregistration, the student will remain financially responsible for all tuition and related fees. Non-payment of fees will also result in prohibited registration for future courses, inability to obtain statements of academic standing, transcript requests or other matters relating to academic progress until all outstanding fees have been paid in full.

### **Refund Process**

#### ***Semester One Refunds:***

Refunds will only be issued to international students who have been refused their study permit or have cancelled their study permit. A refund of tuition and student fees paid (less a \$300.00 processing fee), will only be issued if a copy of the refusal letter, or proof of cancelled study permit issued by Citizenship and Immigration Canada (CIC) is provided to Algoma University, within three months of the date of the refusal letter. Processing times for semester one refunds will take a minimum of 8-12 weeks, from the date that Algoma University receives all information required to process the refund.

#### ***Semester Two Refunds:***

The amount of any tuition refund (less \$1,000.00, which is classified as non-refundable and automatically withheld/forfeited to Algoma University School of Business and Economics, plus the reduction of any outstanding fees) will be calculated according to the deadline date by which the withdrawal form has been received by the Office of the Registrar. The refund calculation will also include a \$300.00 processing fee. Ancillary fees are non-refundable after the first day of class.

No refunds are given for withdrawals after the last date to withdraw from courses as per the Academic Calendar.

Please refer to the Algoma University Academic Calendar for the complete Refund Schedule.
