

Dear Mehakdeep,

Congratulations! On behalf of Sheridan, it's my pleasure to officially invite you to join our dynamic, creative, and engaged learning community.

Sheridan has a stellar reputation for cultivating resourceful and resilient graduates who are ready to thrive in a changing world. Our career-focused programs, dedicated faculty, and strong connections to industry and the communities we serve will ensure that your education responds directly to the demands of your chosen field.

My colleagues and I are equally committed to providing you with a well-rounded experience that caters to your personal interests and furthers your life goals. I would encourage you to explore our athletics and recreational programming and/or ways to develop your leadership skills through student government or membership in a club. You can also get involved with an applied research project, volunteer your time to a good cause, or pursue a co-op or internship experience. Our caring staff are here to provide a full range of student and support services to mentor you throughout your learning journey.

As an International Student, you will also have access to numerous services, including immigration workshops and advisement services related to your student status, health insurance information, peer-to-peer support, as well as social activities and excursions. We recommend that you refer to the [International Student Guide](#) for a wealth of useful information.

I welcome you to [explore our campuses](#) through our website, where you will also find information about all the amenities at each of our three locations.

Visit [myStudent Centre](#) to accept your offer, view further details and take your next steps towards becoming a student at Sheridan. I look forward to welcoming you to our community at orientation!

Should you have any questions, feel free to contact us at international@sheridancollege.ca.

I look forward to welcoming you, in-person, at orientation!

Yours sincerely,

Janet Morrison, PhD
President and Vice Chancellor
