To Whom It May Concern,

This is to confirm that the above named student has been accepted into the following program that has a Co-op Required/Co-op Optional/Internship/Unpaid Field Placement component.

You must present this letter with your Letter of Acceptance to the Canadian Border Services Agent upon your first entrance to Canada.

PROGRAM NAME: Big Data Solution Architecture (1448), Waterloo Campus

PROGRAM START DATE: January 18, 2021

PROGRAM COMPLETION DATE: August 21, 2021

As part of acceptance into this program, the student must complete the following practical experience. Since the work term(s) are an integral part of the program, they must be completed in order to graduate.

TOTAL NUMBER OF HOURS: 420

TOTAL NUMBER OF WORK TERMS: 1 terms

TYPE OF PRACTICAL EXPERIENCE: Co-op Optional

The above named student has been accepted into a program where **a select number of co-op seats may be available in a future semester.**

Acceptance to the co-op stream of the program is based on the student's grade point average and availability of seats within the program. Should the student be awarded a place in the co-op program in a future semester, work term(s) are an integral part of the program. The work term(s) are related to the student's program of study and must be completed in order to graduate. A place in the co-op program is not guaranteed and may not align with the student's semester start date/intake.

Due to work permit processing times and tight timelines upon acceptance into this program, **a co-op work permit is required at this time** to meet the above requirement should the opportunity for the student become available.

Please contact the Conestoga College International Office at internationaladmissions@conestogac.on.ca should you require any additional information.

Sincerely,

Anita Couto
