My colleagues and I are equally committed to providing you with a well-rounded experience that caters to your personal interests and furthers your life goals. I would encourage you to explore our athletics and recreational programming and/or ways to develop your leadership skills through student government or membership in a club. You can also get involved with an applied research project, volunteer your time to a good cause, or pursue a co-op or internship experience. Our caring staff are here to provide a full range of student and support services to mentor you throughout your learning journey.

As an International Student, you will also have access to numerous services, including immigration workshops and advisement services related to your student status, health insurance information, peer-to-peer support, as well as social activities and excursions. We recommend that you refer to the [International Student Guide](#) for a wealth of useful information.
