CLINICAL AND FIELD PLACEMENT INFORMATION

FOR HEALTH AND COMMUNITY SERVICE PROGRAMS

In order for students to be eligible to complete clinical or field placement, which is a mandatory component of education, specific clinical and placement requirements must be satisfied, and documentation must be submitted to the Placement Officer by the due date identified for each program listed in the chart below.

The absence of documentation for any requirements or failure to submit the requirements by the expected due date indicated in the chart below will result in the student being withdrawn from the course in which clinical/field placement is an element. Tuition will not be refunded if access to clinical or field placement is denied.

Clinical and Field Placement Requirements are due as indicated:

Program	Due Date
Child and Youth Care (1065)	10th week of first semester
Early Childhood Education (1030)	1st week of December

College Contact: Rachel.Lafferty@trios.com

Fitness and Health Promotion and Occupational Therapist Assistant and Physiotherapist Assistant students will participate in field placement during all four semesters of the program. In the latter part of semester four, you will complete fieldwork hours on a full-time basis for at least 6-10 weeks, gaining valuable work experience and employment references. **Students in the Occupational Therapist Assistant and Physiotherapist Assistant program should be prepared to travel outside of Sault Ste. Marie in order to complete the required fieldwork placement in the fourth semester.** Students should plan financially for these placements, as any expenses related to out of town travel and accommodations during fieldwork will be the responsibility of each student.

Please Note: All original placement documentation must be submitted to the appropriate college contact (listed above) by the program mandated deadlines. It is the responsibility of the student to keep up-to-date clinical and placement requirement documentation (and copies) to present to faculty and/or placement agencies as required. The College does not retain copies of any placement requirements.

Students are responsible for the full cost of obtaining placement requirements. Tuition is not refunded if access to clinical placement is denied or if proof of requirements is not submitted within the required timeframes.

Original documents (except for immunization information) must be presented to the program contact as indicated on the chart. The Sault College Health Form must be completed and copies of official immunization records attached and submitted to the College Health Centre. International Students may obtain their necessary immunizations from their Home Country. All other requirements must be obtained and completed upon arrival in Ontario. Rev. March 2021

Notice to International Students: The necessary immunizations for your program can be obtained from your home country and you will need to submit those immunization records along with the College Health Form to the Sault College Health Centre. Students enrolled on the Toronto campus are not required to submit the immunization forms to the Sault College Health Centre, instead a copy of your immunizations will need to be submitted on your LMS Brightspace. All other requirements (Standard First Aid, CPR, WHMIS, N95 Mask Fit, Police Vulnerable Sector Check) must be obtained and completed after your arrival in Ontario and are required before the start of your first semester.

As per Canadian Immigration policy, all International students completing a program with a practicum (field/clinical placement) component must obtain a Co-op/Work Permit from Immigration, Refugees and Citizenship Canada stating that they are permitted to attend practicum as an integral part of their studies. International students will not be able to attend placement without obtaining this permit.

Clinical and Placement Requirement Specifics:

Sault College cannot guarantee that appointment dates or course times to obtain your clinical and placement requirements will be available prior to identified program deadlines. If necessary, a list of available resources within the community can be provided.

Standard First Aid, CPR - BLS, and the N95 Mask Fit Test are offered through Sault College's Continuing Education Department. You may register and pay for these required courses online through your Sault College Student Portal: Go to "My Records" and select the Continuing Education Course Registration link. You may also access these courses through other providers as long as they meet the clinical/placement requirement specifications.

Students enrolled at our Toronto campus will be provided a list of community agencies where the requirements can be obtained after arrival.

WHMIS - The WHMIS course is available to registered students free of charge on LMS (Learning Management System). Registration takes place after mid-August and mid-December when tuition has been paid. The WHMIS course can be found on the Program Home Page. Once the WHMIS course is successfully completed with a grade of 80% or greater, you will receive notice approximately 20 minutes later on LMS of a link to your Certificate of Completion.

Students enrolled at our Toronto campus will have the opportunity to complete WHMIS in-class through an online training session.

Immunizations:

Complete required immunizations prior to the first semester of the program and submit official records, along with the College Health Form, to the Sault College Health Centre. If you are enrolled on the Toronto campus, you will be required to upload your record to your LMS Brightspace.

1. 2 Step TB Skin Test or TB blood test or Clear Chest X-Ray (**not required** for programs *Child and Youth Care, Early Childhood Education, Fitness and Health Promotion or Social Service Worker unless specified by placement*)
2. Annual 1 Step TB Test (as needed) – **BScN and Practical Nursing only**
3. Measles/Mumps/Rubella
4. Tetanus/Diphtheria (within 10 years)
5. Chicken Pox (documented proof of immunity)
6. Hepatitis B (**not required** for programs *Child and Youth Care, Early Childhood Education, Fitness and Health Promotion or Social Service Worker unless specified by placement*)
7. Influenza Vaccine (October/November)
8. COVID vaccine*

*The Covid-19 pandemic remains a global concern. We encourage you to speak to your healthcare provider regarding the decision to be vaccinated. Please note clinical placement agencies may require evidence of vaccination prior to entry to placement. Further, they **may** refuse a student entry who has not been vaccinated against Covid-19.

If you have any questions regarding the required immunizations for your program or how to obtain your immunization record, please contact the Sault College Health Centre at Anne.Erechook@saultcollege.ca or by phone at 705-759-2554 extension 2720.

Two Step TB Skin Test or Blood Test - Please be advised that the Step Two TB Skin Test is available in Sault Ste. Marie through Algoma Public Health, however, testing, although offered weekly, is limited. It is our suggestion that you schedule this test early so that you complete the requirements by the deadlines listed on this page for your applicable program. Algoma Public Health contact information is (705) 541-7085. In the event that Algoma Public Health is not offering TB skin testing, please contact the Sault College Health Centre at Anne.Erechook@saultcollege.ca or by phone at 705-759-2554 extension 2720.

Police Vulnerable Sector Check (PVSC):

If your program requires a **Police Vulnerable Sector Check (PVSC):**

The laws, rules and regulations regarding the acquisition of a criminal record check and the Sault College Criminal Record Check Policy shall be enforced and applied in accordance a manner consistent with the Ontario *Human Rights Code*, the *Police Record Checks Reform Act*, 2015 and all other applicable statutes or regulations.

Why is a Police Vulnerable Sector Check necessary?

Sault College placements are bound by this policy and the policies of placement providers. Given this, the purpose of a police vulnerable sector check includes but is not limited to the following:

1. The protection of vulnerable persons;
2. The protection of the interests of students;
3. The protection of the interests of the placement agencies; and
4. The protection of the interests of the College and its employees.

Students will be advised of the process to obtain a Police Vulnerable Sector Check during the first month of the first semester or when field placements are confirmed.

Individuals who have charges, pending charges or a criminal conviction for which record suspension has not been granted, must contact the College Contact listed above for their program. A meeting will be scheduled with the Chair to discuss their ability to participate in experiential learning in order to complete all program graduation requirements. If a student fails to disclose this information, their academic status will be adversely affected. Prospective students should know that if a criminal record exists, the student's ability to complete the academic requirements and graduate from their program may be in jeopardy.

Student questions about the Police Vulnerable Sector Search and the submission of these documents may be made to the College Contact listed above for their program.

LETTER OF ACCEPTANCE
