Dear Mandeep Singh,

On behalf of the faculty and staff of Niagara College, I am pleased to inform you of your admission to **Niagara College** for the 2023 Winter term in the Electrical Engineering Technician program. Please note this program is located at our Welland Campus and begins January 09, 2023.

Admission to **Niagara College** is very competitive and we take great care in evaluating each application for admission. Niagara College follows the practice of Applied Education, which enables students, faculty and industry to collaborate in providing a rich learning and practical academic environment for our students. You have been offered admission because we feel confident that you will be able to make an important contribution to the College and the Electrical Engineering Technician program in this Applied Education setting.

In order to continue with your admission, please carefully review the documents in this package. Here you will find your Letter of Acceptance, Conditions of Acceptance, and Confirmation of Acceptance.

Please note that final invoices are emailed separately from this package as of four (4) months prior to the start of the term. An estimation of fees is included in this package which does not include any scholarship deductions and can be used as a guide for payments however please be aware that your final invoice amount may vary from the amount indicated on the estimated fees included in this package.

If you have received multiple offers, you may only accept one (1) offer per intake/term, at the College. In the case where you have applied to a competitive program and are still awaiting a result, you may accept an offer you have already received and change your program acceptance if you receive another offer later.

Once again, congratulations on your acceptance. We look forward to welcoming you to **Niagara College**.

Regards,

Gary Torraville  
Director, International Division

**Please Note:**

*The full year amount indicated in your Letter of Acceptance form is an estimated yearly fee for the cost of study in your program and may differ from the amount on your final invoice.*

**Scholarships for Current Students:**

At Niagara College, we try to nurture not only strong academics, but also community involvement and leadership. During your studies here at the College, you will find many opportunities to earn scholarships that reward high academic achievement, leadership in the College community and volunteerism. Visit our webpage at <https://international.niagaracollege.ca> to learn more about these exciting opportunities.

As Canada's leading Global College, Niagara College also offers a variety of opportunities to gain international experience through international field studies and study/work abroad initiatives all over the world. These initiatives are supported in part by a special bursary program that assists students financially to access these opportunities. To learn more how you can incorporate some of these opportunities into your studies here at the College, visit our Be World Ready webpage at <https://www.beworldready.ca>.

We hope you will take advantage of these opportunities as you learn and grow with us.

Sincerely,

Gary Torrance, Director, International Division  
and the International Scholarship Committee of Niagara College Canada

***Mandeep, we are excited to have you join us at Niagara College.  
There are just a few things you need to know before you arrive.***

As you prepare to move to Canada, start to think about where you will live, what you will need to budget for and how you can get access to resources. Follow the steps below to find out more about how you can make the most out of your college experience and click on the links highlighted in blue to help you find even more information.

### **Confirm your Acceptance**

To reserve your seat in your desired program, we require you to confirm which program you would like by logging into your MyNC student account: <http://www.niagaracollege.ca/mync/>

### **Paying your fees**

Niagara College has a number of ways that you can pay your tuition and other school fees and this year, has launched a new payment platform that offers students a preferred exchange rate and lower transaction fees.

### **Arriving to Niagara College**

There are many ways to arrive to Niagara College. The two (2) closest airports are located in Toronto, Ontario in Canada or Buffalo, New York in the United States. Please note if you choose to arrive in Buffalo, New York, you may require a visa to enter the United States.

### **Living in Niagara**

As one of the world's most popular tourist destinations, Niagara Region has many living options to suit any budget and lifestyle. You can view all of your options by clicking here. Below are just a few of those options that we can help you with.

### **Orientation**

One of the most important things you can do as a new student is attend orientation as it provides you with an opportunity to meet your classmates, professors and to experience Niagara. Information about orientation is posted four (4) months prior to the start of term.

### **Meeting People**

Starting in a new place can be scary at first. That's why so many of our international students have signed up to be PAL (Pre-Arrival Link) Mentors. The PAL Mentor program is designed to assist incoming international students with their transition to student life in Canada.

### **Budgeting**

The cost of studying abroad can be expensive. To help you prepare, please visit the Costs and Dates [section](#) of our webpage and click on the "Estimated Study Expenses" tab to know what you should plan to spend.

Download our **Registration Guide** for more information about services and supports for students and other important information you will need before you arrive.
