## Submission of Official Documents

---

You will be required to submit your official documents before you can commence your program at UCW. The copies of your transcripts and certificates which you provided in your application can only be used during the first review for evaluation purposes. Non-receipt of an official transcript will result in a hold being placed on your record and registration into classes denied.

You can access the list of official documents (along with all requirements) that you are required to submit by logging in to your student portal and going to *My Requirements* under *MY PROFILE / SETTINGS*.

An **official document** is defined as an original (or attested) copy being received directly from the institution of issuance without interference. This means that your transcripts and degree certificate must be issued by the educational institution and sent in a sealed envelope bearing the original institutional seal and authorized signature. The official documents must be stamped and signed by the Institution to be official. The documents can also be sent via secure electronic delivery or in PDF format by the issuing institution to this email address [verifications@ucanwest.ca](mailto:verifications@ucanwest.ca). You can always bring the described official documents in person to the Registrar's Office at University Canada West when you arrive, but **DO NOT open the envelope** under any circumstances, or this will not be accepted as official.

Opened envelopes, documents received without the official seal of your institution, documents with an apostille seal, photocopies, faxed copies, and certified/notarized copies are not acceptable and should not be submitted. Third party evaluations such as those provided by credential evaluation services will be accepted, but those evaluations must be issued and sent (email or regular mail) to University Canada West directly from the issuing organization.

Certified English translations are required for all official documents that are not issued in the English language.
