Dear Princekumar Dasharathbhai Patel:

Saskatchewan Polytechnic Identification Number: 000528598
Date of Birth: May 28, 1996

Congratulations! You have been accepted into the full-time Project Management Post Grad Certificate program at Saskatchewan Polytechnic Moose Jaw Campus starting on January 2, 2024 and ending on December 2024.

RESERVE YOUR SEAT

A non-refundable deposit of \$10,000.00 is required by May 14, 2023 to reserve your seat in the program. This non-refundable deposit will be a credit toward your tuition. If we do not receive the required amount by that date, we will cancel your application, making your seat available to the next qualified applicant.

We encourage you to use Flywire to make your payments. Flywire allows you to make payments securely from any country or bank, saving you bank fees and exchange rates. See www.saskpolytech.ca/programs-and-courses/international/international-payments.aspx for more information and other options. Receipts are sent to your Sask Polytech email account within 5 business days. Your Flywire receipt can also be used as proof of payment.

TUITION AND FEES

Outstanding tuition and fees must be paid on or before the start date of your program. Please note that tuition rates are set the July 1st before your studies; thus, the tuition estimates in this letter are only an estimate and are subject to change. The estimated tuition and mandatory fee amounts are as follows:
\$20,000.00

Books and supply costs are also extra and must be paid separately to the campus bookstore at the time of purchase. All costs are approximate and subject to change. Approximate tuition and fee details can be found at www.saskpolytech.ca/programs-and-courses/international/programs.aspx.

WITHDRAWALS

Now that you have been offered a seat, should you decide to withdraw please complete our online withdrawal form at <https://saskpolytech.ca/admissions/tuition-and-fees/international-withdrawals-form.aspx>. This will allow Sask Polytech to offer the seat to the next qualified applicant. If you withdraw you will be required to reapply should you be interested in attending Sask Polytech in the future.

Once your payment is received, if your program withdrawal is a result of a study permit being refused, it will be returned to you less a \$200 administrative fee. The permit refusal and withdrawal are required to be dated **within ten business days** of each other and submitted before the fifth day of the program. If you choose to withdraw for other reasons after you have paid your non-refundable deposit, it will not be returned to you. Withdrawals must be submitted before the fifth day of the program, before further program fees apply. Our goal is to provide a quality learning experience to students committed to joining the Sask Polytech community.

Remitting a significant amount of tuition and fees in advance as a non-refundable deposit demonstrates your commitment to attend and helps Sask Polytech ensure prospective qualified students are able to secure available program spaces.

For detailed information about fees and refunds, see Tuition and Fees Policy 1214 (Procedures Section 3) at www.saskpolytech.ca/about/about-us/policies-procedures.aspx.

DEFERRALS

Once we receive your payment, during approved periods you are able to defer your Project Management Moose Jaw Campus application to a following intake. See <https://saskpolytech.ca/admissions/tuition-and-fees/international-withdrawals-form.aspx>. There is no guarantee a seat will be available in the next intake. Previous payments will be applied to your new intake. Fees apply if a deferral is requested less than 60 days before the program start date.

SWITCHING

Switching programs sixty days or less before this program start date incurs administrative fees. Note that an application to a new program would be required.

YOUR FUTURE WITH SASKATCHEWAN POLYTECHNIC!

We are pleased that you have selected our public institution and look forward to having you join us as a student. Please view the welcome message from our President, Dr. Larry Rosia, at <https://youtu.be/v5k73ZN2RbY>.

In order to study in Canada you must obtain a study permit. Please send us a copy at internationaldocuments@saskpolytech.ca prior to your start date. It is important to keep our office informed of any changes to your personal or contact information. To update, complete and submit the applicable form, located at <https://saskpolytech.ca/admissions/resources/forms.aspx>.

We will be sending you a letter closer to the start date of your program should you reserve your seat. In the meantime, we encourage you to check out the Project Management program information at www.saskpolytech.ca. If you have any questions about your application, please call International Education at 1-306-659-6906 or email international@saskpolytech.ca. Your Sask Polytech identification number is 000528598. Please have it ready when you call so we can better serve you.

Sincerely,
Lisa Newell
