Dear Ahtesam,

The Admissions Department of LaSalle College Vancouver (LCV) have reviewed your application for admission in the **Associate of Arts degree** program starting January 08, 2024. This program consists of 60 credits. We are pleased to offer you a seat and look forward to issuing you a Letter of Acceptance upon receipt of your tuition deposit of \$3,000 CAD.

Your seat in the program is confirmed only once your tuition deposit is received within 30 calendar days of the issuance of this Letter of Offer. If your tuition deposit payment is not received on time, this offer will expire, and you will have to submit a new application again. In addition, your total first term fees (including non-tuition fee items) are due 30 calendar days before the intake starts.

Payment options are listed here: <https://www.lasallecollegevancouver.com/student-resources/tuition-fees-payment>

For full acceptance into your program, you are required to submit the following documents:

- An original high school transcript in English including your graduation date, or a post-secondary diploma, associate or higher degree transcript in English including graduation date
- A copy of a valid study permit
- Official proof of English proficiency
- A signed and completed Enrolment Agreement

If you have any questions, please contact your admission advisor. Congratulations! We look forward to welcoming you to campus.

Sincerely,

Admissions Department
LaSalle College Vancouver

Associate of Arts Bursary (International)

August 02, 2023

Student ID 2412658
Khan, Ahtesam

Dear Ahtesam,

LaSalle College Vancouver is committed to supporting individuals looking to further their education at the post-secondary level.

I am pleased to inform you that you are the recipient of the Associate of Arts Bursary. You are also pre-approved to receive this Bursary for consecutive terms upon meeting the conditions outlined below.

Bursary Details

You will receive a bursary of \$167 per credit for quarter 1 (one credit = \$550, with bursary one credit = \$383). If you are taking 12 credits each term, your tuition fee per quarter with bursary totals \$4,596 (instead of \$6,600). If you are taking 15 credits each term, your tuition fee per quarter with bursary totals \$5,745 (instead of \$8,250). This bursary is awarded to students starting the program in October 2023 and following intakes.

Conditions to Maintain Your Bursary

You will automatically receive the bursary for consecutive terms if you meet these conditions:

- You need to remain in a full course load of at least 12 credits per term*
- You need to maintain a CGPA of 2.4/4.0
- You need to maintain continuous enrollment in your program. **Change of program**, deferral or withdrawal will result in the forfeit of your bursary.
- Bursary recipients must abide by LaSalle College Vancouver's Student Code of Conduct. They are expected to contribute to the college community, assist prospective students and get involved with events. Students are expected to volunteer up to one hour for every \$100 awarded.

** Exceptions to the course load requirement are made if a student has a documented learning accommodation requirement and/or is in the final quarter to complete the program.*

The bursary for your full program is reflected on your financial plan. On behalf of LaSalle College Vancouver, congratulations!

APPENDIX A: PROGRAM OUTLINE
Associate of Arts Degree

LaSalle College Vancouver aims to provide an Associate of Arts degree that successfully prepares graduates for further study in a Faculty of Arts bachelor's degree program at one of British Columbia's universities. The program's goals are to provide students with the knowledge, skills, and experiences that are foundational for further study in upper level coursework. The program also supports the development of strong critical thinking, communication and research skills sought after by employers.

Career Occupation: Students who graduate from the program will be prepared to begin further study at the baccalaureate level at LCV or one of the BC's research universities. While it is expected that the majority of students who graduate will pursue further education, students who choose to enter the workforce will have gained the communication, critical thinking and problem-solving skills that are so highly sought-after by employers.

Learning Objectives:

The overall objective is to prepare students to be successful in pursuing an undergraduate degree in the Arts, Humanities, Social and Natural Sciences. We seek to do this by providing our learners a comprehensive liberal arts education in a supportive and nurturing learning environment. The program has the following specific learning outcomes:

1. Demonstrate effective written communication skills by providing their audience with relevant and organized information on a specific topic.
2. Demonstrate effective oral communication by providing their audience with relevant and organized information on a specific topic.
3. Demonstrate the ability to interpret and analyze artistic work, historical events, or philosophical thought and describe the relevance of that work to themselves, society, and cultures.
4. Analyze the nature, diversity, and impact of social, political, psychological, and/or economic thought on the individual, institutions, and differing cultures.
5. Demonstrate critical thinking and problem-solving skills using mathematical and/or scientific reasoning to solve problems.
6. Demonstrate responsible use of information by discerning authority, by evaluating the relevance of information to their purpose, and by appropriately documenting sources.

Method(s) of Evaluation: Methods of evaluation are directly related to the learning objectives/outcomes and content of each course. Evaluation methods may include, but are not limited to, projects, essays, labs, class participation, seminar presentations, workbooks, portfolios, tests, critiques, and examinations.

Completion Requirements: In order to earn an Associate of Arts Degree, students must successfully complete 60 credit hours with a cumulative grade point average of 2.0 or higher. Students must also receive a passing grade or credits for all required course work and satisfy all financial obligations with LaSalle College Vancouver..
