Dear Jashanpreet Singh

Congratulations on your full-time acceptance to Conestoga College. Your letter of acceptance can be used to apply for your study permit at the [Canadian Embassy](#) or Canadian High Commission in your country. As of January 22, 2024, an attestation letter will now be a mandatory component of all new study permit applications as per [IRCC guidelines](#). We await further guidance from IRCC and the Provincial Ministry regarding the attestation letter's specifics. Kindly note that this requirement does not apply to current study permit holders.

Please also be sure to visit our [International Scholarship website](#) for scholarship opportunities.

Information regarding **mandatory program and international students' orientations** will be sent to you approximately 8 weeks before your program start date. **These mandatory events will be held prior to the first day of classes.** Please plan your arrival date accordingly.

Note: International students who have been accepted to a program with a co-op placement, an internship or an unpaid field education component, even if the activity is paid or unpaid, on or off campus, or full-time or part-time are required to have a co-op work permit. This information is provided on your letter of acceptance. There is no cost to apply for this permit. The work permit required for co-op placements, internships or unpaid field education can only be used for activities assigned as part of your program of study. It is your responsibility to ensure you have the proper authorization.

For up-to-date information, and to apply on-line for a co-op work permit, please visit [Citizenship and Immigration Canada \(CIC\)](#). Should you have any questions regarding this process, please contact an International Student Advisor in the International Office at <https://www.conestogac.on.ca/international/contact>.

If you have been accepted to a health care or community service related program, you **may be required to** complete WIL document requirements to be eligible for work-integrated learning (WIL) experiences. These prerequisites are required by legislation and WIL agencies for all persons working in this sector.
