IMPORTANT INFORMATION

Students are not permitted to change programs in their first semester.

Students will be provided with a list of required textbooks at the start of each semester. Some programs have program specific fees which students must pay upon arrival/before the start of the term. These are not included in tuition/ancillary fees and students should budget accordingly. Many of our community service and health care programs require students to have specific vaccinations and/or a criminal reference check completed before the start of the semester.

For more details, view the program web page for "program specific fees" and the "as a Student" dropdown for other program requirements.

For information and support regarding your arrival, orientation, and settlement at Confederation College, please contact our arrivals officer at: InternationalArrivals@confederationcollege.ca

PAYMENT OPTIONS

Payment is required in order to hold the seat in the selected program. If fees are not paid in full **and** by the specified due date(s) as indicated on this document, your offer will be revoked and your seat will not be held.

If you have applied for a two or three year program, you should expect to pay a similar tuition fee in subsequent years. Please be aware that fees do increase on a yearly basis.

Paying from Overseas

1. Students may make an international payment using the secure services of Flywire or Convera (previously known as Western Union). Upload a copy of the Proof of Payment to the OCAS International Application System.
2. This link will provide more information along with detailed instructions on paying through either service: <https://www.confederationcollege.ca/international-students/how-to-make-a-payment>

Paying within Canada

1. Payments within Canada may be done by visiting the Information Hub at Thunder Bay campus or by using [PayMyTuition](#). If the payment is made from within Canada, the International Education Centre **must be** informed by the student with a copy of receipt once the payment is made. Failure to do so may result in the offer being revoked.

Withdrawal Policy

Please review our [withdrawal policy](#) prior to making a payment. A withdrawal fee will be charged for all students who request a refund. The amount of the withdrawal fee is dependent upon the reason for the refund request. Deferrals will only be considered for visa rejections or delays. Only one deferral will be granted. All withdrawal requests must be submitted through the OCAS International Application System with the proper paperwork.
