Hi Shirley,

RE : VCC Student Number: 000497067

Program: Automotive Service Technology Diploma

It is unfortunate that we have received refusal on the application from IRCC on Aditya's application. The student has decided to postpone the plan for now, so I want to request you to initiate the refund process. I have attached the refusal letters from IRCC along with the filled and signed refund form.

Please advise if there's any other documents required from our side, and also provide a general timeline for the refund to be disbursed back to the student.

Sincerely,

Jashandeep Singh (he/him)
