

## Offer of Admission

BHATIA, Gautambir (10143027)  
13148 68 Ave

Surrey BC  
Canada  
V3W 2E6

Date Issued: 30-Jan-2025

Dear Gautambir,

Congratulations! Following review of your Application for Admission and supporting documentation, Alexander College is pleased to offer you admission to the Associate of Science Degree, beginning 2025 Term Spring.

Students admitted to Alexander College's Associate of Science degree must still meet individual course prerequisites. Prospective students should become familiar with the course requirements for their intended program or concentration by consulting individual course descriptions and/or meeting with Academic Advising to review specific prerequisite requirements.

Alexander College is committed to providing a truly international learning experience for students from Canada and around the world. Our students thrive in an inclusive and supportive environment, acquiring skills, knowledge, and experiences through which they become global citizens. We look forward to welcoming you to the Alexander College community!

Prior to the start of term, you are required to attend the New Student Orientation, which will be held on 23-Apr-2025. This session will convey important information and instructions regarding registration, access to student services, and many other topics to prepare you for successful studies at Alexander College. 2025 Term Spring begins on 28-Apr-2025.

To prepare for the start of your studies, please take time to review the following information:

MyAC Dashboard - <https://myac.alexandercollege.ca>

Important Dates - <https://alexandercollege.ca/admissions-and-registration/important-dates/>

Should you have any questions or require assistance with next steps, please contact your Enrolment Advisor.

Sincerely,  
Office of the Registrar
