Dear Simranjot Kaur,

Congratulations and welcome to Humber College Institute of Technology & Advanced Learning! We are pleased to give you an offer to:

Program Name:	Early Childhood Education
Level of Study:	College Diploma
Program Duration:	2 Years - 4 Semesters
Semester of Study:	1
Type of Program:	Academic
Academic Status:	Full-time
Campus:	North Campus
Class Start Date:	September 2, 2025
Expected Program Completion Date:	April 2027
Last Day to Register/Offer Expired Date:	September 9, 2025
Tuition Fees and Payment for Semesters 1 and 2:	\$17,223.00 to \$21,501.00 (approximately) for semesters 1 and 2 Additional fees are required for all subsequent semesters if applicable. Estimated fees by semester can be found on your program page at humber.ca/programs .
Textbooks & School Supplies:	\$1,000.00 (minimum)
Mandatory Co-op/Work Placement Internship:	Yes

This is the final offer of admission and constitutes a letter of acceptance to apply for a study permit with Immigration, Refugees and Citizenship Canada.

This is a firm offer of admission with no outstanding conditions. Humber supports this applicant's request for a study permit (or study permit extension).

Here are the next steps you must complete to secure your place in the program:

- **Confirm your offer before May 4, 2025.**
 - To confirm your offer, log in to your [MyHumber](#) account, select *Applicant* then *Confirm Offer*.
 - If you do not confirm by the due date, your offer of admission will be deactivated.
- **Pay your \$3,000 tuition deposit before May 4, 2025.** If your deposit payment is not received by the due date, your offer of admission will be deactivated.

- To pay your deposit, log in to your [MyHumber](#) account and select *Student > Student Accounts & Fees > Payment and Account Centre*.
- For more information about methods of payment and processing times, visit humber.ca/international/fees.
- **Apply for a Study Permit.**
 - As part of your study permit application, you will need a Provincial Attestation Letter (PAL). Once you confirm your offer of admission and pay your \$3,000 tuition deposit, Humber will request a PAL from the Ministry of Colleges and Universities on your behalf. Your PAL will be sent to you from Humber by email within 1-2 business days. You must ensure your study permit application is submitted before your PAL expiration date.
 - To help you submit your study permit application as accurately and easily as possible, Humber has partnered with **BorderPass**, a digital platform offering full study permit support, including legal review and submission by Canadian immigration lawyers, at no additional cost to you beyond standard processing or filing fees. While using BorderPass to file your study permit application is not mandatory, you are encouraged to sign up and access the provided support. For more information, visit humber.ca/international/borderpass.
 - If you already have a study permit or as soon as you receive a valid document, be sure to upload it to your MyHumber student account. Instructions can be found [here](#).
- **Pay your remaining tuition balance before July 27, 2025.** You will not be able to enrol in classes until you have paid or arranged to pay the full balance of tuition fees.
 - For more information about program fees, payment options, and our refund policy, please visit humber.ca/international/admissions-road-map.
- **Upload a valid study permit to your MyHumber account before registering for classes.** You will need to provide your study permit document to enrol in courses for your semester.
 - While waiting to receive your study permit, you can upload your Letter of Introduction (LOI), which indicates that your application to study in Canada has been approved.
 - For further instructions, review the International Student Study Permit information at humber.ca/registration.

As space is limited, your offer of admission may be withdrawn if you do not meet these deadlines.

Explore the [Admissions Road Map](#) for all the information you need to start your program as well as the social and academic support you can access as a student at Humber.

Humber offers on and off-campus housing options for students. Information for on-campus housing options can be found at humber.ca/residence and off-campus housing options can be found at humber.ca/international/housing.

We look forward to helping you achieve your educational goals and to building a brilliant future together.

Thank you for choosing Humber!

Sincerely,

Barbara Riach, MBA, B.ED

**RE: Co-op Work Permit for mandatory component of
Early Childhood Education (07911)**

This letter confirms that a Co-op /Work Placement/Internship is a mandatory requirement of the **Early Childhood Education** program at Humber College Institute of Technology & Advanced Learning in Toronto, Canada. This letter is to be used as supporting documentation to apply for a Canadian **Co-op Work Permit**; you should apply for your Co-op Work Permit at the same time as you submit your Study Permit application.

This work component requires the completion of **500-600 hours of mandatory field experience over semesters 2, 3 and 4. Students in this program may be required to complete placements in a variety of settings such as childcare centres, nursery schools, school programs, and other early learning and childcare program settings. Students are required to complete a medical exam with a panel physician before applying for a co-op work permit and study permit. Other non-medical requirements are also mandatory before students begin working in an industry related to the field of study.**

This placement is an essential and integral component of the program and forms less than 50 per cent of the total program of study. Successful participation and completion of the internship placement is a requirement for graduation. Before beginning any type of co-op/placement/internship, all students must receive a co-op work permit in addition to their study permit.

If you have any questions, please do not hesitate to contact us via our enquiry form at humber.ca/international/contact or by phone at +1-416-675-5067.

Sincerely,

Barbara Riach, MBA, B.ED
