Welcome to your English as a Second Language (ESL) program! This program will help to improve your English language skills. You will be building your language skills through reading, listening, writing, and speaking experiences. There are 4 levels in this program - Beginner, Lower Intermediate, Upper Intermediate and Advanced. Each level contains 20 lessons, practice and final exams. The information in this overview will be a guide to help you understand how parts of the program work and how to work through the lessons. Good luck and have fun learning English!

Program Orientation

Program Orientation - Spanish

Glossary of Terms

Click on Program Orientation to receive general instructions on how to navigate the program. Once you are familiar with these instructions, proceed to begin your studies. The four levels are at the bottom of the menu. Start with Beginning ESL.
