Dear Garvit Khurana,

Congratulations! It is a great pleasure to offer you **acceptance** into the Post-Baccalaureate Diploma in Supply Chain Management program at Cape Breton University (CBU) for the 2025 Fall (September) academic term. Get ready to be inspired, encouraged and supported here at CBU.

Students from more than 70 countries choose to study at CBU and enjoy the natural beauty of Cape Breton Island as the backdrop to their studies. As a university that is dedicated to excellence in teaching and learning, CBU will provide you with an experience to remember. Our people, our cultures and our strong sense of community truly make CBU a special place.

To formally [Accept Your Offer](#), you must confirm your seat by paying a minimum \$5,000 non-refundable tuition deposit by the deadline noted on your Notice of Acceptance (NOA). Information on how to make this payment can be found at [cbu.ca/payment-options](http://cbu.ca/payment-options). Once you [Accept Your Offer](#), you will be automatically assessed for a Provincial Attestation Letter (PAL). For more information on the PAL process, please visit [cbu.ca/IRCC](http://cbu.ca/IRCC). **Please note: You will be unable to apply for a visa or register for courses until a deposit has been made and you have received a PAL.**

PALs are limited and therefore cannot be guaranteed. If the international application is open for a country, then PALs are available; however, country caps may be reached before an offer is accepted and the tuition deposit is received. For additional information about requesting a PAL at CBU, please refer to [cbu.ca/IRCC](http://cbu.ca/IRCC).

**Important information to consider before you Accept Your Offer:**

Securing housing before arriving in Cape Breton plays a vital role in your student experience. Like most of Canada, affordable [housing](#) is a serious issue in Cape Breton. Housing in the area is limited and students should begin their search early.

We recommend living on-campus for your first year of study. To view residence options, visit [cbu.ca/residence](http://cbu.ca/residence). If you're interested in living off-campus, housing listings can be found at [cbu.ca/accommodations](http://cbu.ca/accommodations).

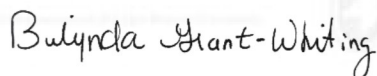

We strongly advise students to budget their costs and expenses accordingly for when you arrive in Cape Breton. We recommend budgeting a minimum of **\$1,000 per month** for housing and other related expenses.

Part-time employment opportunities in Cape Breton are limited and very competitive. Employment **cannot** be guaranteed by CBU.

Please find enclosed your Notice of Acceptance including information about tuition, fees and refund policies. Please note: this document cannot be used to apply for a Visa. Should you have any questions or concerns, please do not hesitate to reach out to [admissions@cbu.ca](mailto:admissions@cbu.ca). I encourage you to check your email regularly for information regarding important dates, advising and events.

Again, congratulations and welcome to the Caper family!

Sincerely,

University Registrar and Director of Admissions, Cape Breton University
