Our people, our cultures and our strong sense of community truly make CBU a special place.

Important information to consider:

Securing housing before arriving in Cape Breton plays a vital role in your student experience. Like most of Canada, affordable [housing](#) is a serious issue in Cape Breton. Housing in the area is limited and students should begin their search early.

We recommend living on-campus for your first year of study. To view residence options, visit cbu.ca/residence. If you're interested in living off-campus, housing listings can be found at cbu.ca/accommodations.

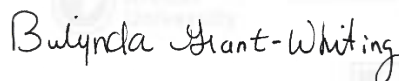

We strongly advise students to budget their costs and expenses accordingly for when you arrive in Cape Breton. We recommend budgeting a minimum of **\$1,000 per month** for housing and other related expenses.

Part-time employment opportunities in Cape Breton are limited and very competitive. Employment **cannot** be guaranteed by CBU.

Please find enclosed your Notice of Acceptance which you will need to apply for a study visa at the nearest Canadian Consulate or Embassy. It also includes important information about tuition, fees and refund policies. Should you have any questions or concerns, please do not hesitate to reach out to admissions@cbu.ca. I encourage you to check your email regularly for information regarding important dates, advising and events.

Again, congratulations and welcome to the Caper family!

Sincerely,

University Registrar and Director of Admissions,
Cape Breton University
