Dear Parleen Sharma:

Congratulations! You have met the requirements for admission into the Northern Lights College (NLC) **Associate of Arts Degree (Education)** program (CIP: 13.0101) from **May 2026 through April 2028** on the **Fort St John** campus.

This program has post-admission requirements (PAR) that must be met. Please refer to the attached PAR document. Meeting the program's admission requirements doesn't guarantee that you meet the prerequisites for all required or elective courses.

To accept your offer of admission and receive your *Letter of Acceptance* to study at NLC please pay the non-refundable, non-transferable, non-deferrable admission deposit of \$7500.00 CAD.

The deposit is the minimum you can pay. However, if you wish to prepay your first year of studies, you can review that amount on your program's website; [see list here](#). Deposit must be received by NLC no later than **23-Feb-2026**. NLC cannot guarantee your acceptance if not paid by that date.

Note: Request for the refund will only be considered after students provide written proof from the Canadian High Commission/Embassy if Study Permit is denied. Proof must be submitted within 3 months of the date of the High Commission or Embassy letter. The refundable deposit balance, less a \$300.00 processing fee, will be returned upon request and only through the original payment method.

By submitting your application to Northern Lights College, you understand that the personal information included in your application, which is collected to register for our programs, will be incorporated in the Provincial Attestation Letter (PAL). You consent to share your personal information with The Ministry of Post-Secondary Education and Future Skills (the Ministry) and the federal Department of Immigration, Refugees and Citizenship Canada (IRCC) for operational and program evaluation purposes.

Sincerely yours,

Karen Giesbrecht
