Dear Amritpal Sandhu:

Thank you for your application to the **Business Fundamentals** program.

Admissions has reviewed your transcripts and any supporting documents and found that you are missing the following entrance requirement(s):

- Math 11 - 60% or higher, or equivalent - Your Class XII Mathematics and Statistics mark is too low; you do not meet this minimum requirement. If you check the International High-School Equivalencies webpage: <https://www.bcit.ca/admission/requirements/international.shtml> and select India you will see the minimum mark required (depending on your passing mark) for a program asking for 60%

Next Steps:

1. Review the following information to help you complete the outstanding entrance requirements:

- Find out about submitting: [Midterm Grades](#)
- Learn more about options for: [Upgrading](#)
- Determine secondary & post-secondary International (and Canadian): [Equivalencies](#)

2. If you are attending high school, taking an upgrading course or an assessment test, scan and upload a pdf document by **September 01, 2018** outlining how and when you intend to meet the entrance requirements. Although we cannot accept you until you have completed the entrance requirements, this information will help us make sure you complete your application as soon as possible.

Important Admission Details:

- the deadline to submit proof of meeting missing requirements is either:
 - the program application deadline* (competitive entry programs), *or*
 - the program start date (first qualified, first accepted programs)
- a seat will not be held for you nor will you be placed on the waitlist if you are missing entrance requirements
- there is no guarantee that a seat will be available once you submit proof of meeting missing requirement(s)

*Note: to find out if your program has an application deadline, [search for your program](#) and select 'Program Entry' from the menu on the right-hand side of the program page.

If you have any questions, contact the admissions officer noted below.

Please include your BCIT student number on all correspondence.

Sincerely,

Luisse Weckel
