This refers to your application for a student permit to Canada. I have completed my assessment of your application and I have determined that you do not meet the requirements for a student permit; therefore, your application is refused.

In accordance with Section A11(1) of the ***Immigration and Refugee Protection Act (IRPA)***, any person wishing to become a temporary resident of Canada must satisfy an officer that he or she is not inadmissible to Canada and meets the requirements of the Act. This includes the requirement to establish to the satisfaction of the officer that the applicant will respect their conditions of admission and will leave Canada by the end of the period authorized for his or her stay.

In reaching a decision, an officer considers several factors; these may include the applicant's travel and identity documents, reason for travel to Canada, contacts in Canada, financial means for the trip; ties to country of residence (including immigration status, employment and family ties) and whether the applicant would be likely to leave Canada at the end of his/her authorized stay.

Following an examination of your application, I am not satisfied that you meet the requirements of the Act and the Regulations for the reasons explained below. I am therefore refusing your application.

Grounds for refusal:

· Given your academic performance, your language ability in specific bands and considering your proposed course of study, your travel history and ties to your home country, I am not satisfied you would be a bona fide student and a temporary resident.

This application is closed. Please note that any new information you wish to provide must be submitted with a new application and processing fee. Should you wish to reapply, I would suggest that you do so only if your situation has changed substantively or you have significant new information to submit.

PLEASE NOTE: There will be no other communication to convey you the decision on this application, this is to be treated as the official intimation regarding our decision on your application.

-

If you have submitted your original passport to the Visa Application Centre (VAC) with your application, please note that it will be returned to you by the VAC within a few days.

Sincerely,

Consulate General of Canada, Chandigarh
