Greetings from Conestoga College and thank you for your most recent student referrals.

Unfortunately, at this time, the applications received for the program to which you have applied, far outnumber the applications we can process for the current available seats in the program.

For this reason, we are unable to process the following applications you submitted:

Student ID	Last Name	First Name	Program Title	Session
8639286	Mirdha	Ajay	General Arts and Science - Diploma Option	Winter 2019

We would encourage you visit our OPEN program link for a full list of available program options: <https://international.conestogac.on.ca/program-courses/index.htm>

If your student wishes to be considered for a new program and/or start date, please login to your agency admission portal, locate this student, and click on the Add App Tab to add a new application. We would be happy to review their file at that time.

We look forward to receiving your new program application.

Best regards,

Tammi Mugford
