Dear SRIDHAR PALLEY,

Thank you for your interest in studying in Canada. After careful review of your study permit application and supporting documentation, I have determined that your application does not meet the requirements of the Immigration and Refugee Protection Act (IRPA) and Immigration and Refugee Protection Regulations (IRPR). I am refusing your application on the following grounds:

- Your proposed studies are not reasonable in light of one or more of your qualifications, previous studies, employment, level of establishment, language abilities, or your future prospects and plans.

You are welcome to reapply if you feel that you can respond to these concerns and can demonstrate that your situation meets the requirements. All new applications must be accompanied by a new processing fee.

Sincerely,

Consulate General of Canada
