Dear Sahil,

Thank you for your interest in studying in Canada. After careful review of your study permit application and supporting documentation, I have determined that your application does not meet the requirements of the Immigration and Refugee Protection Act (IRPA) and Immigration and Refugee Protection Regulations (IRPR). I am refusing your application on the following grounds:

- I am not satisfied that you will leave Canada at the end of your stay, as stipulated in subsection 216(1) of the IRPR, based on the purpose of your visit.
- Your proposed studies are not reasonable in light of one or more of: your qualifications, previous studies, missing marksheets, academic record, level of establishment/available financial resources, language abilities, or your future prospects and plans.

You are welcome to reapply if you feel that you can respond to these concerns and can demonstrate that your situation meets the requirements. All new applications must be accompanied by a new processing fee.

Sincerely,
