Dear KULJEET KAUR,

Thank you for your interest in studying in Canada. I have reviewed your study permit application and supporting documentation to assess whether you meet the requirements for a study permit (<https://www.canada.ca/en/immigration-refugees-citizenship/services/study-canada/study-permit/eligibility.html>). This includes assessing whether you are coming to Canada temporarily for the reason(s) you describe in your application. I have determined that your application does not meet the requirements of the Immigration and Refugee Protection Act (IRPA) (<https://laws-lois.justice.gc.ca/eng/acts/I-2.5/index.html>) and Immigration and Refugee Protection Regulations (IRPR) (<https://laws-lois.justice.gc.ca/eng/regulations/sor-2002-227/index.html>). I am refusing your application.

- The purpose of your visit to Canada is not consistent with a temporary stay given the details you have provided in your application.

You are welcome to reapply if you feel that you can respond to these concerns and can demonstrate that your situation meets the requirements. All new applications must be accompanied by a new processing fee.

Sincerely,
