A Message from the School

October 2nd 2023, 12:04

Hi Munish,

Hope you're doing well!

Please see the below message from the school.

Given the student's academic background (BSc in E&E + MBA) , would you like to choose an alternate program as Pharmacy Technician is a Health Science program.

If you have any questions or concerns regarding this message, please do not hesitate to ask.

Regards,

Minika
