Dear Sunil:

Your application to the Justice Studies: Public Safety program offered at the New Brunswick Community College (NBCC) Saint John campus for the Fall 2024 academic term and your seat in the program have been cancelled for the following reason:

**Program waitlist closed with no offer of admission. <https://nbcc.ca/nbcc-faq/waitlisted-applicant>**

If you need to discuss this decision with our NBCC Admissions Team please visit our website at <https://nbcc.ca/admissions/contact/international> for contact information. Please refer to your ID Number (above), when contacting our office.

With over 90 programs offered at our six campuses throughout the province, there are plenty of options to pursue a post-secondary education at NBCC and we would be happy to discuss them with you.

Thank you for considering NBCC for your post-secondary studies.

Sincerely,

NBCC Admissions Team.
