This letter refers to your application for a study permit extension.

Based on your application and accompanying documentation that you have provided, I have carefully considered all information and I am not satisfied that you meet the requirements of the Immigration and Refugee Protection Act and Regulations. Your application as requested is therefore refused.

[1] Foreign students wishing to extend their study permit in Canada must satisfy an officer that they:

- have complied with all conditions imposed on their entry;
- will leave Canada by the end of the period authorized for their stay;
- have adequate financial resources to pay tuition fees and support their stay in Canada; and
- do not belong in a category of persons inadmissible to Canada under the Act.

Based on careful review of the information contained in your application and all of the documentation you have provided in support of your application, I have concluded that you do not meet the requirements of the Act and Regulations.

You must leave Canada on or before the expiry of your current document or, if your document has expired you must leave Canada immediately. Failure to do so could result in enforcement action being taken against you.

[2] We also wish to advise you that your temporary resident status will expire on February 11, 2025.

Sincerely,

Officer SV
