**Re: Waitlist – Response Required Advanced Welding Technology, Fall 2024 Term**

We tried contacting you via phone, but it seems we missed you! As such, we need some information from you; **please read this entire e-letter and provide the information as required.**

## WHY WE CALLED YOU

You are currently on a **waitlist** for Advanced Welding Technology starting Fall 2024 Term, but we expect that a **limited** number of program seats may be available soon. Therefore, we wanted to confirm if you still want to be considered for acceptance to this program.

## YOUR NEXT STEPS

**If you are still interested in being considered for acceptance**, please let us know as soon as possible by completing the [Waitlist - Continued Interest form](#).

Be aware that if a seat is made available, you may need to pay your full tuition and fees within 24 hours of admission. Applicants who contact us with their continued interest in the program will be given priority for any available seats.

*This status does not guarantee that a seat will become available or guarantee admission into this program. Please continue to monitor your MyNAIT portal for any change in admissions status and e-letters, including if you are accepted*

## HAVE YOUR PLANS CHANGED?

If you're no longer interested in the program, please cancel your application using the [contact form](#) (select topic: Admissions, subcategory: Cancelling an application). This will help us in managing our waitlist seats.

## CONTACT US

For additional information or assistance, please check our [frequently asked questions](#) or contact the [Student Service Centre](#). We're happy to help!

Thanks for your interest in studying at NAIT,

**Office of the Registrar, Admissions**
