Dear ANMOL NAGPAL,

Your application to remain in Canada as a temporary resident has been approved. A secure document has been mailed to you at the address that you provided when you made your application. If you have not received your secure document within six weeks, [contact IRCC](#).

Please note that as per the Immigration and Refugee Protection Regulations (IRPR), a valid medical examination is required if you are seeking to work in certain occupations in which the protection of public health is essential. Please review the following page to find out more about such occupations: [Medical exams for visitors, students and workers](#)

If you do not have valid medical results you may have received condition 15 or 16 printed on your permit stating "Not authorized to work in 1) child care, 2) primary or secondary school teaching, 3) health services field occupations (**condition 15**), 4) agricultural occupations (**condition 16**)". If you wish to remove these conditions on your Permit, you will need to complete a medical examination and then, you must submit a new application. You also need a valid medical exam if you are coming to Canada for more than 6 months and you lived in one or more of these [countries or territories](#) for at least 6 months in a row within the last year.
